 -Forced air refrigeration system, cooper evaporator with aluminum fins. -Adjustable temperature control.
 -Interior and exterior pre-painted steel cabinet, with foam injected insulation. -Hot gas evaporator pan. -Adjustable legs.
 -Removable condenser for ease of service. -Availability in all the voltages. -Refrigerant R134a.

VV-8CN

- Curved grille. -Interior dual vertical lights. -Top lighted merchandising display. -Angled shelves with plastic coated steel rods, with curved front. -Triple curved glass door with anodized aluminum frame, self closing door, with magnetic seal.

VV-8CN

Exterior Dimensions	Length 20 7/8 in.
	Depth 24 7/8 in.
	Height 59 1/2 in.
Capacity (ft ³ .)	Gross 9,1
	Net 6,4
Interior Temperature	35,6 to 41 °F
Compressor	1/4+ Hp - 222 W
Shelves	5
Weight (pounds)	211
Can Capacity	268
Containers Capacity	Cont 20 27
	Cont 40 57

VV-8N

- Interior Light. -Adjustable shelves with plastic coated wire. -Self closing, double glass door, with sealed magnetic gaskets.
 Optional: -Triple Glass door. -Additional Shelves. -Artwork/decals.

VV-8N

Exterior Dimensions	Length 22 1/2 in.
	Depth 24 1/4 in.
	Height 53 1/2 in.
Capacity (ft ³ .)	Gross 8,5
	Net 6,7
Interior Temperature	35,6 to 41 °F
Compressor	1/4+ Hp - 222 W
Shelves	3
Weight (pounds)	157
Can Capacity	252
Containers Capacity	Cont 20 30
	Cont 40 60
